Dear Parent/Carer

Each year, we offer our students a range of trips. While some are modestly priced, others represent a significant expense. To help you plan ahead, we are publishing a list of the most expensive trips being launched this year.

Please note that all costs are very approximate and all trips to Europe will require an in-date passport, which currently costs £66.50 (online applications) or £80.00 (postal applications) to acquire, plus a GHIC card.

Details of each opportunity will be published to you once costs and arrangements have been completed.

Yours sincerely,

Mr T Miller
Deputy Headteacher
